21. Describe the work of this position <u>using this page or one additional page only</u>. (Use the following format for describing job duties:) **What** is the action being done (use an action verb); to **whom** or **what** is the action directed (object of action); **why** is the action being done (describe the result or outcome expected); \***How** is the action expected to be performed (describe the manner, methods, techniques or procedures in which the task is currently performed). For each task state: Who reviews it? How often? What is it reviewed for?

Number Each Task and Indicate Percent of Time and Identify each function as essential or marginal by placing an  $\underline{\mathbf{E}}$  or  $\underline{\mathbf{M}}$  next to the % of time for each task. Essential functions are the primary job duties for which the position was created and that en employee must be able to perform, with or without reasonable accommodation. A marginal function is a peripheral, incidental or minimal part of the position.

## <u>No.</u> <u>%</u> <u>E or M</u>

Work of this position is reviewed by the supervisor through periodic conferences to determine progress towards achievement of the assigned goal(s).

### 1. 25% E **BUILDING MAINTENANCE:**

This position is responsible for performing building maintenance tasks such as wall repair, small paint jobs, minor plumbing tasks, on-demand custodial tasks, replacing ceiling tiles, and lock and door hardware repair using appropriate tools and materials in order that the building remains a safe, pleasant working environment. Incumbent performs grounds maintenance tasks such as collecting litter on the grounds, sweeping sidewalks as necessary, snow removal of sidewalks and entryways and reporting to supervisor any areas of possible concern in order that the grounds remain attractive and safe for staff and clients. Responsible for periodically checking the underground sprinkler system which involves checking sprinkler heads and making any necessary adjustments to spray patterns and setting and adjusting times for the numerous watering zones to avoid excessive water use or waste, and to help ensure the health and safety of staff and visitors.

#### 2. 10% E SAFETY AND SECURITY:

Responsible for maintaining building security by ensuring that the various door locks are working properly. This involves being knowledgeable and skilled in regard to the different types of lock and door hardware used in the buildings. Responsible for the maintenance and checking of the emergency lighting system and fire alarm system. This involves running regular checks on the system, coordinating repair and service, and responding to concerns of the local Fire Department. Serves as one of the primary safety contacts for the office. Must be familiar with the safety plan and will help promote safety awareness in the office. Tracks safety concerns, complete incident reports, assists with safety drills and completion of evaluations of those drills. Ensures first-aid kits are fully stocked. Presents the safety issues portion of new employee orientation.

#### 3. 25% E STATE CAR MAINTENANCE:

Incumbent is responsible for the maintenance of the state cars by performing routine, and on demand, operator level checks; routinely, and on demand, coordinating cleaning the interior and exterior of the vehicles; ensuring that repairs and scheduled maintenance are performed expediently and through the most economically feasible means. Informs supervisor of any major problems with any vehicle and will secure approval from appropriate staff before proceeding with any repairs or maintenance. All this is accomplished in order that the cars are in safe, clean, running order for employees. Ensures that the information in each vehicle log book is current and in good condition. At end of each month, reconciles car logs, prepares Monthly Car Activity Log, makes copies of logs and receipts and forwards originals/copies to appropriate staff and places copies in local files. Creates new Vehicle Daily Logs on a monthly basis for staff use and inserts in log book.

#### 4. 25% E **GENERAL MAINTENANCE:**

Moves, assembles, repairs furniture and equipment; erects and alters Herman Miller furniture. This requires the incumbent to be knowledgeable and skilled in the installation and functional use of the Herman Miller components. Uses appropriate tools and materials in accomplishing these tasks in order that furniture and equipment provide a functional and ergonomically correct work environment for staff. Repairs, arranges for repairs, or prepares a request for disposition for any furnishings or non-IT equipment. Helps transport furnishings or equipment to repair agencies or other destinations.

#### 5. 15% E INVENTORY/SUPPLY ROOM:

Monitors supply levels and submits orders to replenish supplies, checks incoming shipments by comparing what was ordered and what was received and forwards packing lists/invoices to appropriate staff; put supplies away in the storeroom. This is accomplished in order that adequate supply levels are maintained and organized. Performs annual physical inventory of furniture and equipment and prepares information for input into the computer in order to maintain an up-to-date inventory of furniture and equipment. Inventory of information technology-related equipment is the responsibility of the Information Technology Staff.

<sup>\*</sup>The description of how the work is to be performed does not preclude the consideration of reasonable accommodation(s) for qualified persons with a disability.

22. List t	the consequences of not performing the essential functions of this position as identified in Section 21.
	rs are not checked and maintained properly, injury to staff/clients/public could result. If buildings and grounds are not maintained, injury to ts/public could result. If furniture and equipment are not adequately maintained and functional, staff cannot perform the duties and responsibilities ositions.
22 0	If your involves leadership, arrawisany or management assponsibilities, should the statement which heat describes the negition
